National Taiwan University Official Certification Statement of Authenticity

This official certification has been transmitted electronically to the recipient, and is intended solely for use by that recipient. If you are not the intended recipient, please notify the Office of Academic Affairs at National Taiwan University and permanently delete this certification. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official certification has been digitally signed and therefore contains special security characteristics. If this certification has been issued by National Taiwan University and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader; it will reveal a digital certificate that has been applied to the document. This digital certificate will appear in a pop-up screen or status bar on the document, display a black medal, and declare that the document was certified by National Taiwan University with a valid certificate issued by TWCA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The black medal symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the document have not been altered.

If the document does not display a valid certification and signature message, reject this document immediately. An invalid digital certificate display means the digital certificate has expired or revoked at time of signing, and the document has been illegally changed, corrupted, or violated policy restrictions. The digital certificate can also be revoked by the Office of Academic Affairs at National Taiwan University if there is cause, and digital certificates can expire. A document with an invalid digital certificate display should be rejected.

If the digital certificate status appears certificate validation problem, it means signer's identity is not trusted. The document has unsigned changes after the signature. If you receive this message make sure you are properly connected to the internet. If you have an internet connection and still cannot validate the digital certificate, reject this document.

The Official PDF Certification is considered official in PDF format only. If printed, the words Copy of Official Document will appear to indicate that the paper copy is not an official institutional document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.
